SUMMARY

As a Creative Designer, I excel in crafting visually striking designs across diverse mediums, seamlessly merging innovation and impact. With a keen eye for detail and a deep understanding of design principles, I bring precision to conceptualizing and actualizing visionary ideas. Effective collaboration with cross-functional teams and clients is a strength, ensuring engaging designs that meet business objectives. Eager to leverage my design expertise and passion to contribute to organizational success.

EXPERIENCE

CREATIVE DESIGNER

LintechGroup | Full-time
Birmingham, UK • Remote

May 2023 – Oct 2023
6 mos

As a Creative Designer, I excel in translating messages and ideas into impactful visuals. I create and execute style guides, meet with clients to understand their needs, and assist in selecting design elements for layouts. Skilled in developing design guidelines, I supervise design modifications throughout the development process. With expertise in creating logos, UI/UX design, I bring concepts to life. I am proficient in creating pictures from data and ideas, and confidently present my creative design work to clients. I am adept at making modifications based on client feedback. Collaborating closely with the creative team, I contribute to the development of engaging content.

Skills: UX UI | Branding & Identity | Project Management | Problem Solving | Brainstorming | Product Design | Designing for different media

EXPERIENCE

CHIEF PRODUCT OFFICER

Thinky Storm | Full-time

Dhaka, Bangladesh

Dec 2022– Apr 2023

5 mos

Thinky Storm is an IT company that provides various technology-based solutions and services to its clients. I analyze design briefs, plan projects, and create visuals using software or by hand, focusing on colors and layouts. Collaborating with copywriters and directors, I finalize designs, test graphics, and ensure they align with the brand. From client branding to UI/UX design, I communicate with the development team to address issues

Skills: UX UI | Branding & Identity | Problem Solving | Brainstorming | Project Management | Illustration | Product Design | Designing for different media.
